

## **Trainer – Dealership Software**

Location: ideally Bellingham, WA (or remote)

Direct Hire

### **About Constellation Dealership:**

Constellation Dealership Software group is a wholly-owned subsidiary of Constellation Software Inc. (TSX:CSU), a leading provider of software and services to a select group of public and private sector markets. We acquire, manage and build industry-specific software businesses, which provide specialized, mission-critical software solutions to address the particular needs of our customers.

### **Position Summary**

In this role you will provide exceptional software training and support to our Dealership clients. Assisting with a variety of training needs, you will help setup our clients for success by training our customers on our Dealership Management Solutions and providing guidance on dealership best practices.

The Professional Services team is comprised of specialists in Parts, Sales, Service or Accounting. You will be required to travel to dealerships throughout the United States and also provide professional online training, conduct remote learning courses and provide excellent customer service.

**Travel:** There will be 50-75% travel required across Canada and USA, post-COVID.
